## Hinweise

- The extension of the residence permit is at the discretion of the competent foreigners authority. Applicants are therefore only entitled to a decision free of discretionary errors.
  - In principle, the residence permit does not entitle the holder to gainful employment, but it does permit trial employment for up to ten hours per week in accordance with the purpose of the residence permit, which the qualification qualifies the holder to perform.
  - The procedure is usually conducted in German.
  - All information provided to the Aliens' Registration Office should be correct and complete to the best of your knowledge and belief, so that the request can be processed without major delays.
  - Incorrect or incomplete information can slow down the procedure and be disadvantageous for the person concerned. In a serious case, incorrect or incomplete information that is not completed or corrected in time vis-à-vis the Aliens Department may result in the revocation of residence rights already granted, a fine, a prison sentence of up to three years, or expulsion from the Federal territory.
  - Due to the complexity of the right of residence, this description is for information purposes only and is not legally binding.

## Rechtsbehelf

- Appeal against the decision of the Foreigners' Registration Office within one month of notification.
  - Action before the court named in the notice of objection if the objection is not upheld.
