Formulare	The income tax return must always be submitted electronically if you earn income as a farmer, forester, trader or freelancer. In other cases, voluntary electronic submission is possible. The tax software required for this is available from many commercial providers. However, the income tax return can also be prepared and submitted free of charge via the online portal of the tax authorities. Otherwise, you can obtain the forms required to prepare your income tax return from all tax offices and many towns and municipalities (e.g. citizens' offices). The relevant forms are also available in the Forms Management System (FMS) of the Federal Tax Administration for download. https://www.elster.de/eportal/start https://www.formulare-bfinv.de/ https://www.elster.de/eportal/start https://www.formulare-bfinv.de/
