Teaser	Public bodies, companies and private individuals can apply for information on business registration data.
Volltext	The trade register is a list kept by the municipal administrations of the tradespeople registered in the municipality who have their registered office in the respective municipality. Public bodies, companies and private individuals can obtain information about the business registration data collected upon request. The consent of the person concerned is not required for their data to be passed on. Business registration data: - The name of the trader, the business address and the reported activity (basic data) can be made generally accessible. - For further information on business registration data, you must demonstrate a legal interest - for example, to assert legal claims or to grant credit to the trader.
Erforderliche Unterlagen	none
Voraussetzungen	- For simple information: no requirements - For extended information: legal interest • for example debt instruments, copies of contracts, invoices or similar
Kosten	
Verfahrensablauf	- Submit the application for information on business registration data to the responsible office. - The responsible office will check your application for completeness and whether you have a legal interest in obtaining information on business registration data. - If your application is approved, you will receive information about the business registration data and a
