Volltext	The Crafts Code (HWO) distinguishes between • the craft requiring a license , • trades not requiring a license, and trades similar to trades. A commercial enterprise is a business of a craft requiring a license if it is operated as a craft and fully comprises a trade. The trade must be listed in Annex A of the Crafts Code (HWO). Activities that are essential to this trade (essential activities) can also be carried out. Do you intend to independently operate a craft requiring a license as a standing trade? If so, you must have your business entered in the Register of Craftsmen. The following can be registered • natural and legal persons and • partnerships. Standing trades include any commercial enterprise whose activity is not attributable to itinerant trade or market trade. A commercial establishment is not a prerequisite. You or the person you appoint to manage the business must meet the personal requirements for entry in the Register of Craftsmen if you • set up a permanent business or • participate in a business or • wish to become self-employed together with a partner. https://www.gesetze-im-internet.de/hwo/index.html https://www.gesetze-im-internet.de/hwo/anlage_a.html https://www.gesetze-im-internet.de/hwo/anlage_b.htm
