## Sachverhalt

writing, arithmetic and drawing materials):

- 130 euros for the 1st half of the school year
- 65 euros for the 2nd half of the school year

Since 2021, personal school supplies have been adjusted annually by the same percentage as the standard requirement.

3. school transportation The costs for school transportation to the nearest school can be covered free of charge under certain conditions. The prerequisite is that transportation to the nearest school is necessary and the costs are not covered by another party.

4. learning support Pupils receive learning support insofar as this complements, is suitable for and is additionally necessary to achieve the main learning objectives. A confirmation from the teacher is required as proof.

5. additional expenditure for lunch For each child entitled to benefits, the expenses for communal lunches at school, in the day care center or in child day care are paid.

6. participation in social and cultural life Subsidies are paid for activities that promote leisure activities for children and young people in the community - club memberships, swimming courses, leisure activities, music lessons and much more. There is currently 15 euros per person per month available for this purpose, which can also be divided between various activities or saved up for a larger activity.

## Erforderliche Unterlagen

Documents may be required. Please contact the responsible office.

## Voraussetzungen

Young people are eligible if they, or their families, receive one of the following benefits:

- Citizen's allowance (SGB II)
- Housing benefit and supplementary child allowance (§ 6b BKG)

**Modul**
**Sachverhalt**

- Social assistance (SGB XII - assistance for subsistence, basic security)
- Asylum seeker benefits (§§ 2 or 3 AsylbLG)
- Families with a low income

Anyone who does not receive any of the above benefits but cannot cover the costs of education and participation themselves can have their individual entitlement to education and participation benefits checked. The entitlement to benefits applies to children and young people up to the age of 25. Benefits for participation in social and cultural life in the community are subsidized up to the age of 18.

**Kosten**

There are no fees.

**Verfahrensablauf**

The application for BuT can be made informally.

**Bearbeitungsdauer**
**Frist**

Claims for benefits under the education and participation package in accordance with the Federal Child Benefit Act (for families with child supplement or housing benefit) expire 12 months after the end of the calendar month in which they arose.

**Hinweise**

Schools and daycare centers should also get in touch with the relevant authorities if they want to participate in the education package.

Teachers and educators play an important role in the education and participation package: they know the strengths and weaknesses of the pupils particularly well and can give parents tips on which offers make sense for the individual child.

Schools are particularly important when it comes to tutoring: parents can only apply for tutoring from the education package if they confirm that a pupil is not achieving their learning goals.
