Teaser	
Volltext	Recognised mine surveyors shall manufacture and reproduce the cracks prescribed for underground exploration or extraction operations. For other companies, other documents required by the Federal Mining Act, such as cracks, maps and plans, can also be prepared and added by other persons. These other persons must also be recognized. Recognition must be applied for separately for each establishment for which documents are to be drawn up.
Erforderliche Unterlagen	• Proof of physical fitness • Proof of reliability • Proof of professional qualification • Proof of required knowledge and skills
Voraussetzungen	• completed studies in the field of mine surveying, mining surveying or general surveying at a German university with a diploma and • professionally qualified qualification obtained outside the Federal Republic of Germany and recognised as equivalent, and • Pursuing a subject-specific professional activity after graduation for at least two years • The same applies if the mine surveyor has another professional qualification covering other surveying knowledge, and has been engaged in a subject-specific professional activity for at least three years, in which
