Teaser	Freelance members of the Chamber may, upon request, be exempted from the obligation to maintain professional indemnity insurance for personal reasons.
Volltext	The professional title "architect", "interior designer", "landscape architect" and "urban planner" may only be used by those who are entered under the respective designation in the list of architects of the Chamber of Architects of Lower Saxony, the corresponding directory in another federal state or the directory of external service providers. The architects, interior designers, landscape architects and urban planners (chamber members) registered with the Chamber of Architects of Lower Saxony are additionally registered with the addition "freelance" if they exercise their profession independently and on their own responsibility. Freelance chamber members are obliged to maintain a continuous professional liability insurance for the duration of their registration with the Chamber of Architects in accordance with the requirements of § 11 Abs. 1 Niedersächsisches Architektengesetz. The insurance cover must be proven in the registration procedure. Freelance members of the Chamber who do not (no longer) maintain professional liability
	insurance are to be deleted from the list of architects. On application, anyone who does not exercise the profession for personal reasons, in particular due to
