Teaser	People with statutory health insurance are entitled to medical treatment.
Volltext	People with statutory health insurance are entitled to medical treatment if necessary. Medical treatment should be appropriate and necessary. It can • the prevention of illness or • the early detection and treatment of illnesses serve this purpose. Medical treatment also includes the provision of assistance by other persons if this is prescribed by a doctor. Statutorily insured persons can consult any doctor who is licensed to provide care under the statutory health insurance scheme. These can be, for example, general practitioners or specialists in medical care centers, practices or outpatient facilities. It is usually advisable to contact the family doctor first.
Erforderliche Unterlagen	• Health insurance card or treatment certificate
Voraussetzungen	
Kosten	As a rule, there are no costs for medical treatment. Your health insurance company will inform you about any co-payments for therapies or medication
