Modul

Sachverhalt

Kurztext

- Persons from abroad can obtain a residence permit if they
 - are studying at a university in a third country
 - have obtained a university degree in the last 2 years before submitting the application,
 - would like to complete an internship in Germany and have already concluded an internship agreement with a German institution
 - third countries are countries outside the European Union (EU) and the European Economic Area (EEA)
 - Internship must correspond to the subject of the (completed) course of study
 - The host institution must undertake to bear the costs incurred by public bodies up to 6 months after the end of the internship agreement for
 - living expenses of the person from abroad during an unauthorized stay in Germany and
 - deportation
 - Internship must be equivalent in terms of subject and level to the course of study or university degree
 - It is not possible to take up employment during the stay
 - Temporary residence permit for the agreed duration of the internship, but for a maximum of 6 months
 - Minors require the consent of a person entitled to personal care if they plan to stay for the purpose of a study-related internship
 - A fee is payable for the issue of the residence permit; the time and form of payment vary depending on the authority
