Teaser	You can have your residence permit extended for the continuation of studies begun in another EU country before its period of validity expires if you meet certain requirements for this purpose
Volltext	<p>The residence permit for the continuation of studies begun in another EU country is a temporary residence title. The residence permit is extended for the duration of the compulsory study section or exchange programme that is carried out in Germany.</p> <p>The same requirements apply to the extension of your residence permit as to its issue. In particular, your livelihood should be secured for the duration of your studies in Germany.</p> <p>As a rule, the residence permit cannot be extended if this was already excluded when the residence permit was issued or last extended.</p>
