Sachverhalt

and passing the state examination / state supplementary examination

- an official certificate of good conduct of document type OE for submission to the authorities, not older than 3 months at the time the permit is issued. The certificate of good conduct can be requested from the Citizens' Registration Office or the Residents' Registration Office.
- Medical certificate of fitness to practice the profession, not older than 3 months at the time the permit is issued
- Confirmation that you have the necessary knowledge of the German language to carry out the job (certificate of language proficiency of at least level B2 and - if available - photocopies of your most recent employment references)

- an extract from the register of your local registration office (registration certificate)
- or if you are not yet resident in Lower Saxony, documents are required which prove the seriousness of your intention to work in Lower Saxony (e.g. job applications, letters of application or contacts from an authorized recruitment agency);
- a curriculum vitae in tabular form;
- Your birth or marriage certificate in your native language and in German;
- Your identity card or passport
- Your diploma(s) in your native language and in German;
- detailed overviews showing the theoretical and practical subjects, grades and the number of hours of your education/training (e.g. annex(es) to the diploma) in your home language and in German;
- detailed overviews of the internships completed during your training (with details of the internship institutions, job characteristics, period, hours/day);
- if you have professional experience in the profession you have learned: work references, official certificates or work books including detailed job descriptions of the professional experience gained
- Declaration of consent to data storage
- Proof of German language skills level B2

Voraussetzungen

You must have completed the prescribed training

Modul

Sachverhalt

period and passed the state examination. Regardless of the date of the state examination, the training lasts three years in full-time form and a maximum of five years in part-time form.

In addition, you must have the character and health suitability to practice the profession and sufficient German language skills to obtain the permit.

Applicants must live in Lower Saxony or provide credible proof (by submitting proof of employment) that they work in Lower Saxony

- Professional qualification
- Personal suitability
- health suitability
- Knowledge of the German language

Kosten

Gebühr: 100€ - 600€
Is based on the respective administrative fee schedule of the federal state or on the fee statutes of the authorities responsible under federal state law.

Verfahrensablauf

You must apply for the permit from the competent authority.

Once you have submitted the application and all documents are complete, the competent authority will check whether you meet all the requirements.

If you meet all the requirements, you will receive the permit.

You may only start working once you have received the permit.

- Acceptance of the application to determine the equivalence of rescue training completed abroad
- Forwarding the application to a technical college for assessment (this is done on a voluntary basis), if necessary forwarding to the ZAB (Central Office for Foreign Education)
- Notification of the result of the assessment
- Issue of the cost assessment notice for the preparation of the report

Modul	Sachverhalt
	<ul style="list-style-type: none"> • Depending on the result: procedure for issuing the emergency paramedic's professional license, if necessary, determination of equivalence to the paramedic, otherwise processing of the deficiencies identified in the report
Bearbeitungsdauer	6 - 32 Woche(n) Equivalence is determined by technical colleges on a voluntary basis, depending on available capacity. It may be necessary to involve the ZAB after an indefinite period of time; experience has shown that processing can take several months If the documents are complete, your application will be processed promptly.
Frist	Permission can only be granted if the documents have been received in full and there are no grounds for exclusion with regard to personal suitability.
weiterführende Informationen	
Hinweise	<ul style="list-style-type: none"> • you should first contact the Central Service Center for Professional Recognition (for applicants still living abroad) or the IQ Network Lower Saxony (for applicants already living in Lower Saxony) • the determination of equivalence and the application for a professional license are separate procedures
Rechtsbehelf	Appeal (appeal may be excluded depending on state law), administrative court action
Kurztext	<ul style="list-style-type: none"> • Permission to use the professional title of emergency paramedic • The applicant applies for permission to use the job title "emergency paramedic" • The license is to be granted upon application if the applicant has completed the training period prescribed by this law and passed the state examination or state supplementary examination has not been guilty of any conduct that would make him/her unreliable for practicing the profession, is not unfit in terms of health to practise the profession and has the necessary knowledge of the German language to practise the profession.
