economic, technological, spatial, social and cultural development of the metropolitan region as a shared economic and living space.

Your project fulfills the purpose of the grant if it is one of the projects that

- develop approaches and solutions for regionally significant issues,
- improve interregional cooperation by overcoming institutional boundaries,
- generate high added value for the metropolitan region in terms of content,
- raise the profile of the metropolitan region both internally and externally,
- have an innovative or pilot character for the metropolitan region,
- strengthen the unique selling points of the metropolitan region,
- contribute to strengthening the international competitiveness of the metropolitan region,
- serve to improve public transport connections in the metropolitan region,
- initiate and strengthen cooperation and networks,
- involve business and social partners from the region as cooperation partners in addition to the municipal and state administrations,
- can demonstrate financial participation by third parties or other public funding

The following are supported

- Investment projects and their preparation,
- Studies and concepts (e.g. creation and implementation of regional development and action concepts, business and project plans, feasibility studies, scientific evaluation support for the further development and efficient design of regional cooperation processes),
- sustainable public relations work to present the entire metropolitan region (metropolitan region-related marketing) or for projects that are funded as projects in accordance with these guidelines (project-related marketing),
- Regional or project management, provided they are

Modul

Sachverhalt

part of a flagship project of the metropolitan region

To be eligible for funding, you must belong to the following group of recipients:

- the districts of Cuxhaven, Harburg, Heidekreis, Lüchow-Dannenberg, Lüneburg, Rotenburg (Wümme), Stade, Uelzen
- the cities, towns, municipalities and member municipalities in the aforementioned districts and
- the Free and Hanseatic City of Hamburg
- the association "Projektbüro Metropolregion Hamburg" e. V. is eligible to apply for all funding funds of the Hamburg Metropolitan Region

The grants are generally awarded as project funding in the form of non-repayable partial financing or subordinated interest-free loans (conditionally or unconditionally repayable).

Full funding is possible for projects of the association "Projektbüro Metropolregion Hamburg" e. V.

Projects within flagship projects are funded with up to 80 percent, other projects with up to 50 percent of the eligible expenditure. For projects of the association "Projektbüro Metropolregion Hamburg" e. V., 100 percent of the own funds required to finance the claims submitted to the EU, federal government, federal states or others will be funded.

Eligible applicants can involve other parties in the implementation of a project. Participants in a project can be legal entities under public or private law as well as natural persons.

Funded projects are subject to the following earmarking periods from completion:

- Structural facilities 15 years,
- technical facilities, equipment and other items five years
