Teaser	If you would like to conduct guided tours on tidal flats in the Lower Saxony Wadden Sea, you will need a permit.
Volltext	You need a permit if you want to conduct guided tours on tidal flats in the Lower Saxony Wadden Sea. The permit requirement is intended to ensure that tidal flat guides have the necessary knowledge and skills to conduct tidal flat tours safely and in accordance with nature conservation regulations. This applies in particular to comprehensive local knowledge of the relevant routes and mudflat areas, the correct planning of a walk to avoid dangers and appropriate behavior in dangerous situations. The permitting is issued by the competent authority after examining your documents and successfully passing an interview.
Erforderliche Unterlagen	• Proof of participation in at least six tidal flat tours per area/route for which a permit is sought (for routes between the mainland and an island, participation in at least three tidal flat tours in each direction) within the

Modul	Sachverhalt
	last two years • Proof of training in first aid, not older than two years (or equivalent knowledge) • German swimming badge in bronze (or proof of equivalent achievement) • Current certificate of good conduct • current medical certificate confirming that you are medically fit to conduct guided wading tours • current passport photo for the creation of a mudflat guide card
Voraussetzungen	• You must successfully pass an examination interview, which takes place as an individual interview and lasts around 120 minutes. This will determine whether you have the necessary knowledge and skills to conduct mudflat tours safely and in accordance with nature conservation regulations, and whether you have the necessary local knowledge of the relevant mudflat areas and routes. • You must also be of legal age and reliable, and there must be no public safety concerns to prevent you from being granted a permit. • In addition, further proof is required in the form of documents to be submitted.
Kosten	Gebühr: 400€ - 500€ The fee depends on the number of approved areas/routes. The stated costs include the administrative fee of 300/400 euros for participation in the examination interview.
Verfahrensablauf	You inform the competent authority of your interest in taking part in the examination interview, stating the tidal flat areas or tidal flat stretches concerned. Examination interviews are offered twice a year (usually March/October) and the specific date is usually coordinated with you around three weeks in advance. They take place in Wilhelmshaven. All other necessary evidence and documents must be submitted before the examination.
Bearbeitungsdauer	1 - 5 Werktag(e) The permit is issued after the successful completion of the examination interview and the completeness of the evidence and documents.
