Volltext	The hotline of the Federal Criminal Police Office (BKA) receives information on the investigation of serious crimes committed by a right-wing extremist group of perpetrators. The crime complex includes: • Murder of 8 Turkish/Turkish-born and one Greek business owner • Bomb attacks in 2001 and 2004 on a grocery store and a hairdressing salon in Cologne • Murder and attempted murder of Heilbronn police officers in April 2007 The Federal Criminal Police Office is asking citizens for help in solving the crimes and has therefore posted pictures and further information on its homepage. In this context, the police ask: • Where did the persons Bönnhardt, Mundlos and Zschäpe and the perpetrator's vehicle, a mobile home, also attract attention in connection with cars or bicycles in parking lots, campsites or otherwise on public roads? • Where did people rent vehicles, even from private providers? • Who can provide information on their whereabouts, places of residence or contacts since 1998?
