Teaser	If you need to have your inherited weapons blocked, you must report this to the relevant firearms authority.
Volltext	If you have inherited weapons and/or ammunition that require a licence, do not have a weapon possession card and cannot prove that you have a need to possess the inherited weapons, you must render the inherited weapons unusable or have them fitted with a state-of-the-art blocking system. Ammunition requiring a licence must be rendered unusable or handed over to an authorised person. The locking system must be installed by a recognized gun dealer or gunsmith. They will also provide you with proof of installation. The testing of conformity and approval of newly developed blocking systems in accordance with the Technical Guideline – Blocking Systems for Hereditary Weapons – is carried out by the Physikalisch-Technische Bundesanstalt (PTB) in Braunschweig. Further information, including the current state of affairs regarding the blocking systems available on the market, can be found on the website
