Teaser	Do you have an unfulfilled desire to have children? Couples can receive financial support for fertility treatment.
Volltext	<p>If you as a couple have an unfulfilled desire to have children, you can apply for a state subsidy for the costs of fertility treatment. You must submit the application together as a couple and before the start of treatment. You must submit various supporting documents with the application.</p> <p>The subsidy is available up to a maximum of the fourth treatment attempt. Exactly which treatment cycles are subsidized can vary from state to state. You must apply for the subsidy for each treatment attempt individually.</p> <p>Only certain types of treatment are supported:</p> <ul style="list-style-type: none"> • In vitro fertilization (IVF) • Intracytoplasmic sperm injection (ICSI)

Modul

Sachverhalt

The necessity of the treatment must be certified by a doctor.

You can apply for a grant for fertility treatment via the online service or in paper form. If you meet all the requirements, you will receive a provisional grant notification.

Once you have received the provisional grant notification, you must have the fertility treatment carried out within six months. After the treatment, you must apply for final approval and payment of the grant. The application for payment must be submitted to the LS after 15 months at the latest.

Erforderliche Unterlagen

- Joint written declaration
 - The declaration is part of the application form.
 - You declare that you are unintentionally childless.
 - You declare that you are not permanently separated.
 - You declare that treatment has not yet begun.
- Identity cards and, if applicable, current registration certificates or residence permits
- Treatment plan
 - If you have statutory health insurance: Approved treatment plan for assisted reproduction measures in accordance with Section 27a SGB V.
 - If you have private health insurance or a subsidy office: treatment plan from the doctor. In addition, the declaration of assumption of costs and a medical declaration on the necessity of the measure.
- Cost estimate
 - If not covered by statutory health insurance or medical aid
- Declaration of assumption of costs
 - In the case of funding by statutory or private health insurance or by aid or military welfare
- Medical declaration on the necessity of the measure
 - For the 4th treatment cycle.
 - In the case of funding by private health insurance, Beihilfe or Heilfürsorge
- For unmarried couples
