| Handlungsgrundlage            | §§ 59 I in conjunction with § 58 IV in conjunction with 17 of the Federal Water Act (WHG)                                                                                                                                                                                                                                                                                                                                                                                                        |
| Teaser                        | If you wish to discharge commercial/industrial wastewater into a private wastewater system or sewer system, you generally require a permit. Until the permit is issued, the authorities may allow you to discharge the wastewater beforehand.                                                                                                                                                                                                                                                    |
| Volltext                      | If you wish to discharge wastewater into a private sewage system, you must apply for a permit. If you cannot or do not wish to wait until the permit has been issued, the competent authority may allow you to start discharging early. You must apply for this.                                                                                                                                                                                                                                 |
