Teaser	If you want to use the job title "occupational therapist", you need a license.
Volltext	Working as an occupational therapist is regulated in Germany. This means that in order to work as an occupational therapist in Germany, you must apply for a state license. With this permit, you can use the job title "occupational therapist" and work in the profession.
Erforderliche Unterlagen	You will need the following documents to process the application: • Proof of the state examination certificate confirming that the training period prescribed by the relevant law has been completed and the state examination has been passed or the decision on the equivalence of the foreign professional qualification • Proof of reliability; this is the confirmation that you have not been guilty of any behavior that would make you unreliable to practice the profession. This can be done by submitting an official certificate of good conduct for submission to the authorities, not older than 3 months when the permit is issued • a medical certificate stating that you are not medically unfit to practise the profession • confirmation that you have the necessary knowledge
