Teaser

If you would like to apply for a fishing license, you must first take and pass a fishing examination (angler's examination).

Volltext

If you wish to obtain a fishing license, you must have successfully passed the fishing license examination and be able to present a corresponding certificate to the fishing license authority. You can take the examination at various locations in the country at local or district groups of the fishing associations. Under certain conditions, you are exempt from the fishing license examination. You will receive a written certificate as proof that you have passed the fishing license test.

Erforderliche Unterlagen

Voraussetzungen

- You must be at least 12 years old to register for the fishing examination.

Kosten

Verfahrensablauf

- You register for the fishing license test at a local or district association of a fishing association of your choice.
- Once you have successfully passed the fishing license test, you will receive a certificate confirming that you have passed.
- You can apply for a fishing license with the certificate that you have passed the examination.
- You should keep the certificate so that you can reapply for a fishing license if you lose your fishing license or move house.
