Volltext	In Lower Saxony, sales outlets may be open from midnight on Monday to midnight on Saturday. There is a general ban on opening and selling on Sundays and public holidays. The Lower Saxony Act on Shop Opening and Selling Hours (NLöffVZG) regulates exceptions to this ban for: • Pharmacies, petrol stations, points of sale at railroad stations for passenger transportation, airports and ferry ports, • Points of sale for the consumption of goods for immediate consumption to meet local needs • Sales outlets in health resorts and resorts for recreation, excursions and pilgrimages, • Sales outlets which, in terms of their size and product range, are geared towards the sale of goods for small daily needs, • farm stores, • Sundays open for business four times a year and eight times a year in tourist destinations. Different time and shopping basket restrictions apply to the exceptions. The regulations applicable in Lower Saxony do not apply • to the wholesale trade (sales to resellers and commercial customers), • to the sale of accessories if they are provided at the location of the main service and the main service is not subject to the provisions of the law, • the sale of goods at fairs, markets and exhibitions, • to restaurants, video shops and service businesses. https://voris.wolterskluwer-online.de/browse/document/cite/fd4fdeda-5814-344a-a7e3-bb83e8096a8a
