Volltext	In order to be able to practice the profession of veterinarian in Germany, a separate professional license - the license to practice medicine or the permission to temporarily practice the veterinary profession - is required. The license to practice medicine is granted by the federal state in which the veterinary examination was taken or, if the veterinary training took place outside of Germany, by the federal state in which the veterinary profession is to be exercised in established activity.
Erforderliche Unterlagen	You can request an overview of the documents required for the granting of the licence to practise medicine from the competent authorities. The documents required in accordance with § 4 of the Federal Veterinary Regulations (BTÄO) and § 63 of the Ordinance on the Licensing of Veterinarians (TAppV) are required. They may be addressed to the competent authority without any specific formalities. https://www.gesetze-im-internet.de/bt_o/BJNR004160965.html http://www.gesetze-im-internet.de/tappv/BJNR182700006.html
