Volltext	<p>You have notified the intention to provide services across borders in a regulated profession and have commenced the activity.</p> <p>If there is a significant change in circumstances concerning the conditions for the provision of services, the change must be notified and documented by means of documents.</p>
Erforderliche Unterlagen	<p>One of the following proofs where the change occurred:</p> <ul style="list-style-type: none"> <li>\- Proof of nationality (e.g. identity card or passport);</li> <li>\- Proof of legal establishment in the country of origin;</li> <li>\- proof that the exercise of the intended activity has not been prohibited or has not been prohibited temporarily;</li> <li>\- Proof of no criminal record (in cases of commercial activities within the scope of application of the Shooting Act, the Federal Hunting Act, § 34a of the Trade Code [security industry], the Explosives Act, the Weapons Act);</li> <li>\- Proof of professional qualification, provided that the activity is also regulated in the country of origin (linked to the possession of professional qualifications);</li> </ul>

## Modul

## Sachverhalt

\- Proof that the activity has been carried out in the country of origin for at least 2 years within the last 10 years, provided that the activity is also regulated in the country of origin (linked to the possession of professional qualifications); Proof of insurance cover or collective protection in relation to professional indemnity, provided that such a requirement is also required for the relevant activity of nationals (in Germany).

The notification must be made in writing and can be made on any existing forms or without any form, provided that the above-mentioned documents are attached.

## Voraussetzungen

An indicated cross-border provision of services in a regulated profession. The occurrence of significant changes affecting the conditions for the provision of services.

## Kosten

## Verfahrensablauf

\- Notification according to § 13a para. 6 GewO

\- Activity may continue until another decision is made

\- Issue of an acknowledgment of receipt by the competent authority indicating whether the professional qualification has been re-examined, if any. If a review is necessary, the competent authority will inform you of the result within one month of receipt of the complete documents.

\- In the event of any delays, the competent authority shall inform the service provider of the reasons for the delay and of a timetable for the decision

\- The decision shall be issued no later than two months after receipt of the complete documents, provided that no time limits arise due to necessary inspections in the country of origin.

\- If the inspection reveals new substantial differences between the professional qualification of the service

Modul	Sachverhalt
	provider and the training required in Germany (Germany), the public authority shall give the service provider the opportunity within one month of being informed of the result of the inspection to acquire the knowledge and skills necessary for a sufficient professional qualification, in particular by means of an aptitude test Prove.
Bearbeitungsdauer	depending on the need for a re-examination of the professional qualification, up to 3 months
Frist	Immediate notification of the change required
