than three months, minimum coverage according to §10 BrblngG),

- Proof of self-employed, independent and self-responsible activity.

Voraussetzungen

The list of consulting engineers may include anyone who:

- has his domicile or professional establishment in the State of Brandenburg,
- is entitled to use the professional title "engineer" alone or in a combination of words,
- can prove practical work of at least two years for a Master's degree or at least four years for a Bachelor's degree as an engineer in the last 5 years,
- exercises his profession independently, on his own responsibility and independently,
- proves adequate insurance against liability risks arising from professional activity.

The Registration Committee shall decide on admission to the Board upon receipt of the complete documents. In the event of a positive decision, you will receive a certificate of entry in the list of consulting engineers, a chamber stamp and an engineer's certificate in addition to the decision.

You will need the certificate as proof of your professional license when carrying out your work.

Up to the age of 45, the applicant must become a member of the pension fund.

For this purpose, consultation with the pension fund is necessary before submitting the application. The application must be accompanied by a written confirmation of the willingness to become a member there.

A contact person at the pension fund can be obtained from the Brandenburg Chamber of Engineers in the member administration.
