Teaser	You can apply for a permit to supply particularly hazardous substances or mixtures to the retail trade at the State Office for Occupational Safety, Consumer Protection and Health (LAVG).
Volltext	<p>If you wish to place substances or mixtures on the market, either commercially or independently, within the framework of an economic undertaking, to private end consumers which, in accordance with the CLP Regulation (Regulation EC No 1272/2008), are labelled with one of the hazard pictograms GHS06 (skull with crossbones) or GHS08 (health hazard) and the signal word danger, and one of the hazard statements H370 ("Damages the organs ...") or H372 ("Damages the organs ... in the case of prolonged or repeated exposure ..."), you will need a permit. Before intending to supply or make available products that are or are to be marked with appropriate pictograms in the retail trade, you must check the need to apply for a permit. This permission is granted to your company if you employ at least 1 person who:</p> <ul style="list-style-type: none"> • has proven expertise in accordance with Section 11 (1) of the Chemicals Prohibition Ordinance (ChemVerbotsV), • has the required reliability, and • is at least 18 years old. Companies are granted permission if they employ persons in each permanent establishment who meet the aforementioned requirements. <p>Important note: Substances and mixtures that are to be labelled with GHS08 (health hazard) and the signal word danger, and one of the following hazard</p>
