Teaser	A commercial or non-profit collection of recyclables must be reported to the competent authority before it begins.
Volltext	<p>Non-profit and commercial collections of recyclable waste (recyclables) from private households must be reported at least three months before the start of collection. For example, street or container collections of textiles and shoes, but also purchase points of waste paper are subject to notification (Section 18 (1) and (2) KrWG).</p> <p>The collection can be prohibited by the competent authority, limited in time or subject to conditions (§ 18 para. 5 KrWG).</p> <p>Mixed waste from private households, as well as waste that is subject to a take-back obligation, cannot be collected commercially or on a non-profit basis.</p>
Erforderliche Unterlagen	<ol style="list-style-type: none"> 1. information on the size and organisation of the collection undertaking; 2. information on the nature, extent and duration, in particular on the largest possible scope and minimum duration of the collection, 3. information on the type, quantity and whereabouts of the waste to be recovered, 4. a description of the recovery routes envisaged within the indicated period, including the measures necessary to ensure their capacity, and 5. an explanation of how the proper and harmless recovery of the collected waste is ensured within the
