| Teaser                        | You can obtain a residence permit to prepare for and study at university if you meet certain requirements.  |
| Volltext                      | <p>You can obtain a residence permit for the purpose of studying if you wish to study in Germany and have been admitted to a state-recognized university or comparable educational institution in Germany. The course of study must be full-time.</p> <p>The purpose of your stay also includes preparatory study measures. These are</p> <ul style="list-style-type: none"> <li>• attending a preparatory language course if you have already been admitted to university and admission is conditional on attending a preparatory course, and</li> <li>• attending a preparatory college or a comparable institution if a place is guaranteed.</li> </ul> <p>The residence permit for the purpose of studying is limited in time.</p> <p>With your residence permit for the purpose of studying, you may work for up to 120 days or 240 half days per year or take on a part-time student job. You are not allowed to work during preparatory study measures in the first year, except during vacation</p> |

institution if a secure place is already available

- Residence permits are issued for a minimum of one year and generally for a maximum of two years, or for the duration of the course of study
- in the case of participation in an EU or multilateral program with mobility measures (e.g. ERASMUS+ program of the European Union) or if an agreement between 2 or more higher education institutions applies to the person from abroad, the residence permit is issued for at least 2 years, or for the duration of the course of study
- Residence permit entitles the holder to work for up to 120 days or 240 half days per year and to carry out secondary student activities; this does not apply during the stay for study preparation measures in the first year of the stay, except during the vacation period
