Teaser	Applications for state recognition of your training center should be sent to the State Office for Occupational Safety, Consumer Protection and Health (LAVG) or the State Office for Social Affairs and Care (LASV), depending on the training profession.
Volltext	<p>Further training is regulated by state law in Germany.</p> <p>Further training centers in the following healthcare professions or nursing professions are regulated by ordinances in the state of Brandenburg:</p> <ul style="list-style-type: none"> • Intensive care and anesthesia • surgical service • Oncology nursing • Hygiene specialist

Modul

Sachverhalt

- Geriatric psychiatry

Training centers that wish to offer state-regulated further training in these areas require state recognition. They are subject to state supervision in order to ensure the ongoing quality of further training.

Erforderliche Unterlagen

- Professional certificates and further training certificates of the management and teaching staff (copies)
 - Information about the premises in which you would like to set up the training center (e.g. rental agreement or other planning documents)
 - Cooperation agreements with institutions where the practical training components will take place
 - Information about
 - Teaching and timetables
 - Professional assignment of the lecturers and practical instructors on site
 - Type and implementation of the required performance records
 - Form of communication with the practical instructors on site

****Please note:**** Do you want to offer several further training courses in accordance with the further training regulations of the state of Brandenburg? Then you must submit the documents for each training course separately.

Voraussetzungen

- They have enough qualified management and teaching staff.
 - Your rooms are large enough.
 - Your rooms are equipped with the appropriate teaching and learning materials.
 - You must provide evidence of the following in order to ensure practical professional development:
 - cooperation
 - with a suitable hospital,
 - an outpatient care service or
 - a facility for the elderly or disabled and
