Teaser	State recognition gives the alternative school the right to hold examinations and issue certificates such as the Abitur itself.
Volltext	<p>The Ministry responsible for schools may grant the status of a recognized alternative school to an approved alternative school which offers the guarantee that it will continue to meet the requirements for approval without significant objections.</p> <p>Recognized alternative schools are obliged to comply with the provisions applicable to corresponding schools under public sponsorship when admitting and transferring pupils, acquiring qualifications and conducting examinations, unless the school authority has made other arrangements with the consent of the ministry responsible for schools. Pupils of recognized alternative schools may transfer to public schools of the same type without prior entrance examination; the provisions applicable to public schools shall apply accordingly. Certificates and transfer decisions of the recognized alternative schools and the qualifications obtained there shall have the same validity as those of the corresponding public schools.</p>
Erforderliche Unterlagen	<p>The following documents must be enclosed with the application:</p> <ol style="list-style-type: none"> 1. an overview of the development of pupil numbers and the development of the teaching staff and the number and content of teacher training courses since the opening of the school, 2. proof of the implementation of the approved timetables for the respective course of education, in
