Volltext	You become the new owner after • you have reached an agreement with the seller on the change of ownership ("conveyance of the property") and • the new ownership structure has been entered in the land register. The agreement on the transfer of ownership must be declared before a notary public. It can also be declared in a court settlement or in a legally confirmed insolvency plan. Registration in the land register is also required for other forms of transfer of ownership (e.g. when a property is inherited). The notary arranges for the entry. The land register provides information on the ownership of a property and the encumbrances that may be on the property (e.g. mortgages, easements).
