under federal state law (e.g. driving license authority, Dekra, TÜV).

A fee is payable for the issue.

You must either identify yourself via the online authentication of the user account or present yourself in person.

The driver card is valid for five years. The start of validity is the date of personalization (production) by the Federal Motor Transport Authority (KBA). The card should be renewed at least 15 working days before it expires. If the driver card has already expired when the application is submitted, an initial order will be placed.

Notes:

The driver card issued to you personally may only be used by you. The driver card is always your property, even if your employer has paid for the driver card.
