Teaser	If you would like to apply for a fishing license, you must first take and pass a fishing examination (angler's examination).
Volltext	<p>If you would like to apply for a fishing license, you must first take and pass a fishing examination (angler examination). You can take the examination at the lower fishing authority (districts and independent cities) or at recognized bodies.</p> <p>The dates for registering for the fishing examination (anglers' examination) as well as the date, time and place of the examinations are set by the competent authorities as required and announced in an appropriate manner.</p> <p>The fishing examination (angler examination) is a written examination in German. It comprises 60 questions, twelve questions from each of the examination areas of fish knowledge and conservation, care of fishing waters, fishing gear and its use, handling of caught fish and relevant legislation. The questions must be answered within two hours. The examination is deemed to have been passed if at least six questions in each of the examination areas and at least 45 questions in total have been answered correctly.</p> <p>If you pass the examination, you will receive an examination certificate.</p> <p>In certain cases, you may be exempt from the examination (see notes / special features).</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Complete application documents • Proof of payment of the examination fee

Modul	Sachverhalt
	<ul style="list-style-type: none"> • for minors, additional declaration of consent from a parent or legal guardian
Voraussetzungen	<ul style="list-style-type: none"> • application documents submitted to the competent authority on time and in full • must be at least fourteen years old at the time of the examination • Proof of payment of the examination fee to the competent body
Kosten	The examination fee, including the issue of a certificate, is 25.00 euros.
Verfahrensablauf	<ul style="list-style-type: none"> • You register for the fishing license examination (angler examination) with the competent authority and pay the examination fee. • If you are not admitted to the examination, you will receive a written notification from the competent authority. • Once you have passed the examination, you will receive a certificate of successful participation. • You can apply for a fishing license from the responsible lower fishing authority with the certificate of successful completion of the examination. • You should then keep the examination certificate so that you can reapply for a fishing license if you lose your fishing license or move house.
