Teaser	As the operator of a medium-sized combustion plant, gas turbine or internal combustion engine plant, you must determine the pollutant emissions under certain conditions by means of continuous measurements and prepare a measurement report on the results.
Volltext	<p>If you operate a medium-sized combustion plant, gas turbine or internal combustion engine plant, you must determine pollutant emissions by means of continuous measurements under certain conditions.</p> <p>You must prepare a measurement report on the results of the measurements for each calendar year and send this to the immission control authority responsible for you by the deadline.</p>
Erforderliche Unterlagen	Complete measurement report
Voraussetzungen	<ul style="list-style-type: none"> • You are the operator of a medium-sized combustion, gas turbine or internal combustion engine plant. • You have put your plant into operation.
Kosten	Gebühr: Es fallen keine Kosten an
Verfahrensablauf	<ul style="list-style-type: none"> • You evaluate the continuous measurements of each calendar year.

Modul	Sachverhalt
	<ul style="list-style-type: none"> • You prepare a measurement report on the results. • You send the measurement report to the immission control authority responsible for you by the deadline.
Bearbeitungsdauer	There is no statutory processing time.
Frist	<ul style="list-style-type: none"> • You must submit the measurement report for each calendar year to the responsible immission control authority by March 31 of the following year at the latest. • You must keep the measurement report and the records of the measuring devices for at least 6 years after the end of the respective reporting period.
weiterführende Informationen	<p>You can use the following website to search for accredited measuring institutes that can certify the correct installation of the measuring devices you use:</p> <ul style="list-style-type: none"> • certify proper installation, • carry out the calibration, • test the functionality. <p>https://www.resymesa.de/resymesa/Allgemein https://www.resymesa.de/resymesa/Allgemein</p>
Hinweise	If you do not submit the measurement report or do not submit it correctly, completely or on time, you are committing an administrative offense.
Rechtsbehelf	None. The administrative service is a real act against which no legal remedy is possible.
Kurztext	<ul style="list-style-type: none"> • Measurement report on continuous measurements of air pollutants Receipt for medium-sized combustion plants • Operators of certain medium-sized combustion plants, gas turbines and combustion engine plants must continuously measure, record and evaluate their pollutant emissions using suitable measuring equipment. As a rule, the measurement must be carried out by an accredited measuring institute or an expert • Reason for measurement: Commissioning of the system or Emission-relevant change to the system • Deadline for measurement: Within 4 months of commissioning or an emission-relevant change • Responsible: competent immission control authority
