## Modul

## Sachverhalt

- explanation and justification of the cultural test
- Visualization aids (reference projects if applicable)
- Team details (place of residence, position, track record)
- Company profile
- Copy of the extract from the commercial register with list of shareholders or GbR contract or business registration as well as economic documents on the company (current annual financial statements including P+V, current BWA or income/surplus statement or tax assessment)
- Declarations by the applicant on the applicability of sectoral collective agreements or compliance with comparable social standards (e.g. Minimum Wage Act), compliance with sustainability standards and companies in difficulty
- If applicable, application for early start of measures with justification

## Voraussetzungen

- Eligible applicants are companies and commercial persons who primarily develop digital games and who have their registered office, branch office or permanent establishment in Berlin or Brandenburg or who can credibly demonstrate at the time of application that they will have their registered office, branch office or permanent establishment in Berlin or Brandenburg at the time of payment of the first installment.
- The prerequisite for payment of the first installment is the actual existence of the registered office, permanent establishment or branch in Berlin or Brandenburg.
- Notwithstanding this, a project can also be funded if the funding is in the particular media cultural or media economic interest of Berlin and Brandenburg.
- A digital game can be funded if it fulfills the minimum

## Sachverhalt

criteria of the cultural test in the application documents. At least two criteria of cultural context and cultural content, cultural and creative platform (and at least one criterion of design, creative and technological innovation) should be fulfilled. The funding application must state which criteria in the catalog are met.

- In principle, the funded measure may only be started after the funding decision has been made.

- At least the funding granted by the Medienboard must be used in Berlin-Brandenburg.

- In funded projects, a balanced ratio of women and men among the employees involved should be aimed for, and fair working conditions should be achieved through the application of industry collective agreements or comparable social standards (e.g. Minimum Wage Act). The interests of vocational training and further training must be taken into account to an appropriate extent.

- When implementing the funded projects, sustainability standards should be observed and effective measures to promote environmental sustainability should be implemented in order to achieve a significant reduction in CO2 emissions and other environmentally harmful emissions.

## Kosten

An ILB processing fee of 3% of the loan applied for must be calculated. For loans of € 10,000 up to € 16,667, a minimum fee of € 500 must be calculated.
