Teaser	Do you need a map of your property for submission to the court or authorities? Then apply for an official extract from the property map.
Volltext	If you require graphical evidence of your property or building for a construction project or for mortgage lending purposes, you can obtain a corresponding copy of the property map. The real estate map extract can also be issued with the land valuation data. If you are the owner of a plot of land, you can apply for extracts from the real estate map. The real estate map is the representative part of the cadastral record kept in the Official Real Estate Cadastre Information System (ALKIS). In the real estate map, all parcels of land and buildings of significance under real estate law are shown in color with their spatial boundaries to scale. The real estate map also contains additional information, such as land appraisal results, parcel numbers and the location of the plots and buildings.
Erforderliche Unterlagen	
Voraussetzungen	Anyone can apply for extracts from the property map.
Kosten	Abgabe: 20€ Fees are charged for the provision of extracts from the real estate map in accordance with the current version of the scale of fees for official surveying in the state of Brandenburg.
