Teaser	Sponsors of private secondary schools, grammar schools, Waldorf schools (from year 5), vocational schools and secondary schools can receive voluntary state grants for necessary construction measures approved by the school authorities.
Volltext	<p>Purpose</p> <p>The funding in accordance with Art. 43 of the Bavarian School Financing Act (BaySchFG) serves to support the providers of private schools and educational institutions in financing necessary measures. The aim is to ensure and expand the quality of the education on offer and to strengthen the educational infrastructure.</p> <p>Object</p> <p>In accordance with Art. 43, 45 Para. 3 of the Bavarian School Financing Act (BaySchFG), the sponsors of private, state-recognized and approved secondary schools, grammar schools, Waldorf schools (from grade 5), vocational schools and second-chance schools can be granted a voluntary state subsidy in accordance with the state budget for necessary construction measures approved by the school authorities. Funding is also available for the construction of school sports facilities for the above-mentioned types of school and for private dormitories run by non-profit organizations. The construction or operation of the school or dormitory must be in the public interest.</p>

**Eligible costs**

Funding is based on the allocation guidelines of the Free State of Bavaria for municipal construction measures in municipal financial equalization (FAZR). Necessary and school-approved construction measures are supported if they are in the public interest. Eligible for funding are state-recognized alternative schools, private dormitories run by non-profit organizations and state-approved schools, provided they meet the requirements of Art. 45 Para. 2 BaySchFG.

**Type and amount**

The funding is granted as a subsidy. The type of funding is project funding. The funding period covers the entire duration of the project.

The amount of funding is up to 50% of the eligible costs according to the analogous application of the guidelines on the allocation of the Free State of Bavaria for municipal construction measures in municipal financial equalization (FA-ZR).
