Sachverhalt

However, if the remaining term of the card is less than 6 months, you will get the card renewed. This is then valid again for one year.

When the replacement card is issued, your previous card loses its validity. If you do find the workshop card again, you must return it to the responsible office or the Kraftfahrt-Bundesamt (KBA). You may not continue to use it.

When applying for a replacement workshop card due to loss, you as the company must provide proof that the assigned specialist - is still employed by you and has been trained in accordance with the tachograph card and recording equipment training guidelines. The training certificate must not be older than 3 years.

The workshop card is PIN-protected. The personal PIN number is sent to the employee's home address. Employees may only have one workshop card per employment relationship and may only use it there. The workshop card is the property of the company.
