Voraussetzungen

The driving school license is issued if

- the applicant has reached the age of 25 and there are no facts that make him/her appear unreliable to run a driving school,
- there are no facts that justify the assumption that the applicant cannot fulfill the obligations under Section 29 of the Driving Instructor Act,
- the applicant holds the driving instructor license for the category for which he/she is applying for the

driving school license,

- the applicant has worked full-time as a driving instructor for at least two years as part of an employment relationship with the holder of a driving instructor license,
- the applicant has successfully completed a course of at least 70 teaching units of 45 minutes on driving school business management,
- the applicant has the required teaching room, the required teaching materials and the teaching vehicles intended for driving training in the relevant driving license category.

Holders of a driving instructor's license issued in another country that entitles them to independently train learner drivers in that country, or a certificate issued in another country that entitles them to independently train learner drivers, do not have to meet the professional qualification requirements listed under points 3 to 5 above. If the other requirements are met, the driving instructor license for the requested driving license category will be issued if the requirements for issuing a driving instructor license for the driving instructor license category corresponding to his/her driving instructor license category or certificate of competence in accordance with the Driving Instructors Act and the legal ordinances issued on the basis of this Act are met.
