Teaser	If you would like to use the professional title "engineer" in Germany, but have completed the relevant training abroad, you will need a permit to use the professional title.
Volltext	<p>According to the Bavarian Engineering Act (BayIngG), the professional title "Ingenieurin" or "Ingenieur" (alone or in a word combination) may be used by anyone who has successfully completed an undergraduate degree (usually a Bachelor's degree) at a state or state-recognized German university. This must be a course of study</p> <ul style="list-style-type: none"> • in a technical or scientific subject area, • which has a standard period of study of at least six semesters full-time and with which at least 180 points can be acquired using the ECTS system and • in which the fields of mathematics, computer science, natural sciences and technology predominate; <p>this requirement does not apply to the use of the professional title exclusively in the word combination industrial engineer by persons who have completed an undergraduate degree in industrial engineering.</p>

Modul

Sachverhalt

Furthermore, the professional title may be used by

- anyone who has received authorization to do so after training abroad,
- who is authorized to do so under the law of another state of the Federal Republic of Germany or
- who was entitled to do so until this Act came into force.

Erforderliche Unterlagen

- Proof of identity (identity card, passport or birth certificate)
 - Registration certificate
 - Curriculum vitae including full details of education (primary school, secondary school, grammar school, etc.)
 - Evidence of formal qualifications (diploma, etc.)
 - Translation of the training certificate (diploma, etc.) into the German language
 - Subject catalogue ("Diploma Supplement")
 - Translation of the subject catalogue into the German language
 - In individual cases, the following additional documents must be submitted:
 - Proof of change of name (e.g. marriage certificate)
 - Acceptance certificate from the Federal Office for the Recognition of Foreign Refugees, Nuremberg, or status certificate - only necessary for Jewish emigrants from the former Soviet Union (contingent refugees) - in these cases the approval is issued free of charge.
 - Evaluation letter from the Central Office for Foreign Education (ZAB) - if available
 - Notes:
- The translations must be made by a translator publicly appointed or sworn in Germany or in the EU.
- The documents may be submitted in the form of copies or transmitted electronically.

Voraussetzungen

The prerequisite for a permit is the equivalence of the training, which is based on the Bavarian Engineering Act and the Bavarian Professional Qualifications

Modul	Sachverhalt
	<p>Assessment Act.</p> <p>Equivalence is checked on the basis of the foreign diploma and catalog of subjects; the Central Office for Foreign Education in Bonn provides technical support.</p> <p>Copies of the diploma and subject catalog are required for the examination. The translations must be prepared by a translator publicly appointed or sworn in Germany or in the EU.</p>
Kosten	300.00 to 800.00 euros in accordance with the Schedule of Costs under the Costs Act (Tariff No. 5.IV.4.)
Verfahrensablauf	<p>If you have completed your training abroad, you must apply to the competent authority for permission to use the professional title "engineer".</p> <ul style="list-style-type: none"> • The competent authority for engineers specializing in civil engineering, building and supply engineering or surveying is the Bavarian Chamber of Engineers - Construction. • The government of Swabia is responsible for engineers in all other disciplines.
Bearbeitungsdauer	Duration of the procedure: approx. 2 - 3 months after submission of all required documents
