Teaser	You can notify the Bavarian Chamber of Civil Engineers (Bayerische Ingenieurekammer-Bau) of your intention to take up work as a test expert for earthworks and foundation engineering and apply for a certificate confirming that you meet the requirements as a test expert.
Volltext	<p>In Bavaria, only those who are recognized in this specialist area may use the title "Test expert for earthworks and foundation engineering".</p> <p>Test experts for earthworks and foundation engineering certify the completeness and correctness of the information on the subsoil with regard to material composition, structure and geological influences, its load-bearing capacity and the assumptions made for the foundation or embedding of the building structure (§ 27 PrüfVBau). They are independent within the scope of their duties.</p> <p>Foreign inspection experts, i.e. those who are established in another member state of the European Union (or equivalent state) to perform this task, are authorized to work as inspection experts in Bavaria. They must notify the first-time provision of services in advance or apply for a certificate of compliance with the material requirements.</p>
