Volltext	<p>#### Object and beneficiaries</p> <p>After the statutory waiting period of four years, school authorities of private, state-recognized and state-approved secondary schools, grammar schools, independent Waldorf schools (from grade 5) and second-chance schools receive a grant amounting to 65% of the operating grant in accordance with Art. 38 of the Bavarian School Financing Act (BaySchFG) for the necessary personnel costs and school expenses.</p> <p>#### Type and amount</p> <p>The subsidy is granted in relation to the calendar year. It is based on the official pupil numbers as of October 1 of the previous year. The eligible teaching staff hours can be calculated on the basis of the pupil numbers using the tables in Art. 17 BaySchFG. These are multiplied by the flat-rate costs of one teaching staff hour. The teaching staff costs calculated in this way are multiplied by a subsidy rate of 121% (operating subsidy).</p> <p>The subsidy in accordance with Art. 45 Para. 2 BaySchFG amounts to 65% of this.</p> <p>The actual personnel costs of the school authority are irrelevant for the calculation.</p>
