Volltext	<p>Purpose</p> <p>The funding is intended to support the operation of sports work groups (SAG) as a voluntary, qualified joint offer by schools and sports clubs to supplement compulsory sports lessons and thus create an incentive for pupils to take part in various sports. In addition, cooperation between schools and sports clubs is to be promoted.</p> <p>With the support program, which is also known as "Sport nach 1", the Ministry of Education and the Bavarian State Sports Association set out in 1991 to provide pupils with a qualified sports offer in the afternoon that complements their PE lessons through cooperation between schools and sports clubs. To this end, sports clubs conclude a contract with a school interested in cooperating to run a SAG. The SAG should consist of at least 10 pupils. It is led by qualified trainers from the sports clubs or by teachers.</p> <p>Object</p> <p>The object of the funding is the costs of running a sports work group.</p> <p>Recipients of funding</p> <p>Sports clubs are eligible for funding.</p>

Sachverhalt

Type and amount

The funding consists of the granting of a lump sum to the sports club towards the costs of operating the SAG. The amount of the lump sum depends on the budget funds available and the number of SAGs set up throughout Bavaria. For the 2019/2020 school year, the Free State of Bavaria strengthened the Bavarian cooperation model "Sport after 1 in schools and clubs" and increased the SAG lump sum as a special token of appreciation for the voluntary work carried out in sports clubs. In previous school years, the SAG lump sum amounted to € 94.25 for 35-38 school year lessons (1 hour (45 minutes each) / school week) and € 188.50 for 70-76 school year lessons (2 hours (90 minutes each) / school week).
