of the funding is provided as a grant and half as an interest-free government loan.

The maximum monthly subsidy rate for attending higher technical colleges, academies and universities is EUR 534 (EUR 855 if the trainee no longer lives with their parents).

If trainees themselves are liable to pay health and long-term care insurance contributions, the requirement is increased by 137 euros per month.

Responsible office

****If you are studying at a university in Bavaria, the offices for educational support belonging to the Studierendenwerk of the respective university are responsible. The contact details of the responsible Studierendenwerk are displayed when you select the location of the university in the BayernPortal under "My location".****

Erforderliche Unterlagen

- The documents required depend on the type of grant and can be found in the relevant forms.

Voraussetzungen

Funding is provided for attendance at public universities. In the case of non-state universities, educational support is only granted if the Bavarian State Ministry of Education and Cultural Affairs, Science and the Arts recognizes the equivalence of attending this institution with attending a public or state-approved university. Educational support is only granted for the time during which the training fully occupies the trainee's working capacity (full-time training).

Training assistance is generally only provided for initial training, but under certain circumstances it is also possible to receive assistance for further training.

The following are generally eligible

- Germans,
- recognized persons entitled to asylum and refugees

Trainees who have reached the age of 45 during a previously completed Bachelor's or Bachelor's degree course can then immediately begin a course of study (Master's course) eligible for funding in accordance with § 7 Paragraph 1a.</p>
Kosten	None
Verfahrensablauf	<p>The application must be submitted in writing or electronically (see "Online procedure") to the responsible Office for Educational Support. The contact details of the responsible Studierendenwerk are displayed when you select the location of the university under "My location".</p> <p>If the applicant has not yet submitted all the necessary documents for the decision on the application, the Office for Educational Support will contact the applicant and ask for the missing documents to be submitted. Other authorities will not be involved.</p>
Bearbeitungsdauer	The processing time or the total processing time between the application being submitted and the approval notice being issued can be expected to be around 6 to 8 weeks.
Frist	Educational support is only paid from the beginning of the month in which the course is started, i.e. from the month in which the lectures actually begin, but at the earliest from the month in which the application is received in writing or electronically (see "Online procedure") by the responsible office for educational support. Education grants are not paid retroactively. A new application is required for each approval period (usually one academic year). In the case of subsequent applications, the application must be submitted in full at least two months before the end of the old approval
