Teaser	The federal government supports investments by financially weak municipalities and municipal associations. Funding can be provided for the renovation, conversion, functional expansion and, in exceptional cases, the replacement of school buildings and school facilities.
Volltext	Purpose The municipal investment program for school infrastructure serves to strengthen the investment activities of financially weak municipalities and associations of municipalities to improve the school infrastructure of general and vocational schools, including special schools. Object Funding is provided for investments in school buildings: • Refurbishment • conversion • Expansion, provided this is required for functional or school-related reasons and there is no significant increase in capacity • Exceptionally, replacement construction (economic efficiency) • As part of a refurbishment, conversion or extension measure: Equipment, insofar as it concerns non-movable objects and systems that are permanently attached to the building Supplementary infrastructure measures (also digital) Measures to create accessibility School buildings include all parts of buildings and

Sachverhalt

facilities that belong to a general education or vocational school and are used for school operations.

Recipients of funding

Financially weak municipalities, administrative districts and boroughs were eligible to apply.

Type and amount

Funding was provided as project funding by way of pro rata financing in the form of a grant of up to 90% of the eligible expenditure of the recognized projects or construction phases.

Erforderliche Unterlagen
Voraussetzungen

The prerequisite was acceptance into the funding program in the first half of 2018, which was preceded by an application process, the application deadline for which was 27 April 2018.

Kosten
Verfahrensablauf

The application procedures have been completed. No more applications can be submitted.

Bearbeitungsdauer
Frist

All measures must be fully accepted by December 31, 2023. Proof of use must be submitted to the granting authority by June 30, 2024 at the latest.
