The state grants are awarded as fixed-amount funding within the framework of project funding.

The grant can amount to up to EUR 19.50 per eligible child and adult per day of board and up to EUR 25.50 for a child who is not only temporarily physically, mentally or emotionally disabled.

The recipient of the grant must provide at least 10% of the eligible expenditure from its own funds.

All other data on the account statement may be blacked out.
- complete income tax assessment for the previous year before the application (a wage tax certificate alone is not sufficient) If you are not assessed for income tax or if a corresponding income tax assessment has not yet been issued, the income to be offset is determined using a corresponding income questionnaire (see page 7 of the online application or page 4 of the application form).
