Teaser	Bavarian schools can apply for a pro-rata reimbursement of travel costs for trips to the Bavarian concentration camp memorials and the German-German Museum via the Bavarian State Center for Political Education.
Volltext	The Bavarian State Agency for Civic Education supports class trips to the Bavarian Dachau Concentration Camp Memorial / Flossenbürg Concentration Camp Memorial and the German-German Museum in Mödlareuth on the basis of a decision by the Bavarian State Parliament. The amount is EUR 1.50 per distance kilometer per 60 participating pupils or part thereof, up to a maximum of the actual travel costs incurred. Reimbursements from other public bodies must be taken into account. When visiting the Dachau and Flossenbürg memorials, the reimbursement of travel costs is based on the distance in kilometers to the nearest memorial. This does not apply to events lasting several days at the Dachau Youth Hostel. In the case of trips lasting several days, e.g. as part of school trips or school trips, only the distance from the place of stay to the respective memorial site or to the Mödlareuth Museum will be taken into account. This does not apply to • school trips to Berlin • Trips lasting several days with a program focusing on contemporary history • one- or two-day trips to the German-German Museum Mödlareuth, if this is combined with a visit to the Flossenbürg concentration camp memorial site. In
