Teaser	You can register the collection of bulky waste from your private household.
Volltext	Bulky waste is waste from private households that cannot be shredded without technical effort by dismantling, tearing or breaking so that it fits into the black household waste bin. Collect and dispose of bulky waste separately from household waste.
Erforderliche Unterlagen	You will need your identity card or passport with confirmation of registration.
Voraussetzungen	You want to dispose of bulky waste from your Hamburg household.
Kosten	Bulky waste collection on request: • standard bulky waste collection service • 35.00 EUR (up to 8 cubic meters) • 5.00 EUR for each additional cubic meter • 7.50 euros per employee and every quarter of an hour for cutting service • The dismantling service is only available as part of the standard bulk waste collection service. If you want the dismantling service, you must order it. • bulky waste collection service SPRINT • 35.00 EUR (up to 8 cubic meters)

Modul	Sachverhalt
	• 5.00 EUR for each additional cubic meter • 78.00 Euro additional fee for the SPRINT service • The bulky waste quantity is limited to 10 cubic metres for the SPRINT bulky waste collection service
Verfahrensablauf	• You can have your bulky waste collected from your home for a fee or take it to the recycling centers yourself free of charge. • In cases of doubt, you will be asked to provide proof of the origin of the waste. To do this, provide personal information and sign a form, the so-called "tax declaration". By doing so, you confirm that your waste comes from a private household in Hamburg. • If you would like to have your bulky waste collected, please contact the responsible office by telephone. • You can dispose of well-preserved furniture via the "gentle disposal" service (please mention this on the phone) and the Stilbruch second-hand goods market (see links). • For a complete clean-out, please contact the responsible office by telephone.
