Teaser	On this page you will find the commercial, cooperative and partnership registers as well as the association registers of all federal states and also the register announcements (publications).
Volltext	If you are looking for information about specific corporations (such as GmbH, AG, KGaA), commercial partnerships (such as OHG, KG) or sole traders (e. K.), you can inspect the commercial register. You will also find small traders in the commercial register who have made the entry voluntarily. The commercial register provides information about facts and legal relationships that are important for legal transactions in connection with companies registered there. The commercial register contains, for example, the names of the persons who are authorized to represent a company in business transactions.
Erforderliche Unterlagen	No.
Voraussetzungen	You must register free of charge on the website of the register portal in order to be able to call it up on the Internet.
Kosten	No fees are charged for the inspection of commercial register data and documents in the court office. Online retrieval of data from the register: EUR 4.50 per register page Online retrieval of documents submitted to the register: EUR 1.50 per file
