Teaser	If you are looking for advice on an existing or impending addiction problem, you will find further information here.
Volltext	If you are addicted, you can contact an addiction counseling center. Regardless of the type of addiction problem you have, addiction counseling centers offer help and support to you and your family. For example, if your addiction affects your ability to work. Addiction counseling is also available to advise you if someone close to you is addicted. Do you want to seek addiction counseling? • Then you can either go directly to the local addiction counseling center in your area or • visit an online counseling platform for addiction issues. There you will find professional addiction counselors who will support you or your relatives with all
