- Costs incurred through a recognition procedure or a procedure to determine equivalence are eligible for funding.
- In addition, costs for the implementation of compensatory measures for regulated professions (adaptation course, aptitude test, knowledge test) as well as comparable measures for non-regulated professions, if they compensate for significant differences between the proven professional

## Modul

## Sachverhalt

qualification from abroad and the required domestic reference profession, are covered.

- Language courses can also be eligible for funding if they are above level B1 and are not intended to simply acquire or improve general German language skills and a certain level of German is legally required to practice the profession. The prerequisite for funding is that the following levels B2, C1 and C2 are successfully completed in 400 teaching units each.
- Childcare costs and travel expenses may be eligible for funding if they arise in connection with adaptation measures, language or preparatory courses.
- Costs for learning materials can be eligible for funding up to €300.
- Eligible costs include support for securing a living within the framework of a monthly scholarship in the event of proven loss of income based on permanent income over the previous six months.

## Erforderliche Unterlagen

- Identity card or passport (copy)
- Residence permit, toleration or residence permit according to Section 55 of the Asylum Procedure Act (copy)
- Registration certificate
- Proof of income
- Statement from the ZAA
- Proof of relevant professional experience (certified and translated certificates)
- Tabular list of relevant training courses completed and employment carried out (German language)
- ZAA's assessment of whether the recognition procedure will improve the chances of taking up employment corresponding to the professional qualification and of securing one's own livelihood in the long term
- Written declaration by the Hamburg Employment Agency or Jobcenter team.arbeit.hamburg that funding cannot be provided within the framework of the placement budget according to Section 44 SGB III
- ZAA's assessment of whether the compensation measure or a comparable measure for unregulated professions will improve the chances of taking up employment that corresponds to the professional
