Teaser	As a recipient of basic social security benefits, you can receive reimbursement for school supplies under certain conditions. This is possible if you apply for benefits under the Education and Participation Package.
Volltext	Basic social security is a state social benefit in Germany that provides financial support to people who cannot support themselves from their own income or assets. It serves to ensure a minimum standard of living and prevent poverty. If children, teenagers or young adults receiving basic social security benefits live in your household, you can apply for reimbursement of school supplies. Reimbursement is provided for school supplies such as school bags, pens, calculators or backpacks and sports equipment, as well as writing, calculating and drawing materials such as fountain pens, crayons, compasses, protractors or erasers. Expenses for consumables that must be purchased regularly, such as notebooks, pencils and ink, cannot be reimbursed separately.
